## PREFACE

[redacted] dated 4 June 1963. [redacted]  
[redacted] The listing provides the latest description based

For convenience of the recipient, a subject index to the intelligence targets has been included in the listing. Targets in the subject index are listed by category and alphabetically by place name within the category.

The recipient of this MCI is cautioned that the scan of photography from Mission [REDACTED] was accomplished in a relatively short time and often without the aid of precise analytical and mensural equipment commonly employed in detailed photographic analysis. Consequently, although the information presented herein is essentially accurate, additional, detailed analysis may somewhat alter portions of the information.
